

AMVETS DUMP

Hartford City, Blackford County, IN
Revised November 10, 1999

Site Location and Description

This is a 15-18 acre site that is located on Amvets Road in Licking Township. It is located within close proximity of a City wellfield.

Zip Code: 47348

Site Uses and Past Activities

During the 1960s for about five years, this site was used as a city dump.

Contaminants and Impacts

No assessments or sampling activities have yet been completed at this site. Therefore, the type and extent of contamination, if any exists, is currently unknown.

Lead Agency

IDEM in conjunction with the Indiana Development Finance Authority

Community Concerns

This property is located near two of the City's five public water supply wells. It is also located near Little Lick Creek and Wilderness Park which is owned by the Hartford City Parks & Recreation Department. The City is considering the option of expanding the park's boundaries to include this site.

Actions Taken

The City of Hartford City was awarded an Indiana Brownfields Site Assessment Grant by the Indiana Development Finance Authority in September 1998. The awarded funding will help assess environmental conditions at the property and potential liabilities.

Current Status

The State is anticipating notification of on-site activities and the receipt of the assessment reports generated from the Phase I and/or Phase II investigation activities.

Future Actions

IDEM staff will provide oversight for on-site assessment activities to ensure compliance with the proposed work plan. IDEM staff will review the assessment documents submitted to the State to ensure environmental objectives are met and discuss future steps as necessary to facilitate Hartford City's redevelopment efforts.

Cost Estimates

Amount of grant awarded: \$25,570
